Railroads Prepare to Move Drafted Men to Training Camps

## PLAN FOR 200 SPECIALS

HARRISBURG, Sept. 14.—Details concerning the movement of quotas for the National Army, beginning next Wednesday, will be received this morning by each of the 282 local exemption boards in the State. Finishing touches were given to the tables yesterday, and it was expected to get them into the mails in time.

Charles W. Crowley, of the passenger agency force of the Pennsylvania Railroad in Philadelphia, and Colonel Frank Beary, Acting Adjutant General, had charge of the movement. Every railroad in the State will participate in the movement, which will be the biggest thing of its kind undertaken since the roads carried most of the Pennsylvania National Guard from home stations to Mount Readiness at the time of the border mobilization.

The plan for the local boards will include details of the departure of the National Army, giving a complete schedule for each of the five days of the movement. The special trains will start at the more remote points in their territory, focusing in Philadelphia, Harrisburg or Pittsburgh, as the case may be. From there the trains of the train will go to the concentration camps. Eastern Pennsylvanians men will roughly speaking, go to Camp Meade; central Pennsylvanians to Camp Lee, and western Pennsylvanians to either Camp Lee or Sherman. The local boards will get explicit orders. Railroad and State officials said tonight that they are satisfied that there will be no hitch, notwithstanding the magnitude and complexity of the task.

Men in this State to be moved total 55,967, somewhat less than half the State's entire quota, which is about 60,000. The number to go to Camp Meade, 45 per cent of the total, is 25,200. It is estimated that camp is 5,669. In the case of Camp Sherman the number to go next week is 40 per cent of the entire quota, or 4,655 to Camp Lee and 1,715 to Camp Sherman. Inasmuch as 5 per cent already have gone, the number at Camp Meade will be half the eventual State representation.

## 663 MORE DRAFTED MEN ARE CERTIFIED FOR ARMY

District Appeal Board No. 2 certified 663 draft eligibles today as fit for military service to the local draft boards and to the State Adjutant General.

Local draft boards 1, 22, 23, 35, 39 and 42 are represented. Board No. 35 having the largest total of 352. There are nine local boards in the appeal board's territory and the board promises to return the required quotas to each one in time for notification to start next Wednesday for the various concentration camps, in accordance with the orders of the Provost Marshal General.
